Dear Parents,
As another year draws to a close I would like to say congratulations to all guitar students on their outstanding efforts. Most have practiced hard and all have improved considerably over the course of the year. We have also had lots of fun along the way. Guitar reports will be coming home soon and we will also be performing some small concerts on Monday November 30th.
I am currently in the process of organizing guitar lessons for next year.

If you are already enrolled in guitar lessons this year then I will assume you would like to continue again next year and you will not have to fill in any forms.

Please note that guitar lessons are only available to children in grades 3 and above.
If you would like to start having guitar lessons next year (Grade 3 and above) then please fill in the slip below. Also, if you are currently enrolled but you do not wish to continue guitar lessons next year then please fill in the slip below. This is very important as places are limited.

This form needs to be returned (either to me or the front office) before Friday Dec 11th, 2015 as I will be organizing all groups and times etc over the holidays. This will give your child the best chance to be in a group with their classmates and players of similar ability.

Thank you,
Paul Mackey.

Prices for next year (2016) are as follows:
Group lessons (35 - 40mins) $17.00 per lesson
Private Lessons (30-35mins) $41.00 per lesson
Shared lesson (30 - 35mins) group of 2 $27.00each (must be similar ability)
