BYOD 2017
ESSENTIAL APPS LIST

Below are the Apps we are asking all students in Grades3-6 to have installed on their IPads. All these Apps will be used for learning in the classrooms. A reminder that parents do not need to share their Apple ID with their children and can install the following Apps for them.

- Google Drive
- Google Docs
- Gmail
- Google Forms
- Google Sheets
- Google Calendar
- Google Slides
- Google Classroom
- QR Code Scanner
- Kids A-Z
